DIRECT.

WASHINGTON.

I.V.D. 8444-1907.

IND.

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 5, 1907 (Land 7533), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U. S., 76), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 24, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee law prior to November 1, 1878, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is enclosed.

The Commissioner says that all these persons are differently classified from those embraced in the decision previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel and Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1838, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants heretofore be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office, this action will avoid confusion in the future, and it is recommended that this Office and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

G. F. Larrabee,

Acting Commissioner.

Don't Break My Heart: The story of a life, a love, a loss, and a triumph. The birth of a nation, the death of a dream, the rise of a hero, the fall of a villain. The story of a man who lived for his country, who died for his country, who was remembered for his country. The story of a man who was a hero to his people, a hero to his country, a hero to the world. The story of a man who was a hero to his people, a hero to his country, a hero to the world. The story of a man who was a hero to his people, a hero to his country, a hero to the world.

Com'r Breckinridge: You are identified on the roll of 1896
and 1894, and your wife is identified on both rolls; there is sat-
isfactory personal evidence adduced that you are a Cherokee family,
and I wish to put in the record that communication with you has to
be through an interpreter, and you are evidently Cherokee by blood,
and this commission will enroll you and your family as Cherokees
by blood.

Dear Sir:

In conformity with the instructions contained in your letter of the 20th inst., #29785, 1908, I enclose herewith proof of death of George Pheasant, a Cherokee Citizen.

If practicable, I recommend that this be done, as the heirs are all poor and have no money with which to secure an appointment of an administrator or someone to make the filing for them.

In the matter of the application for the enrollment of
John Scott as a citizen by intermarriage of the Cherokee Nation.

Benjamin F. Goss being first duly sworn by William R. Bass a notary Public testifies as follows

What is your name? A-Benjamin F. Goss. What is your age? A-Seventy nine years past. Are you a Cherokee by blood? A-Yes Sir. How long have you lived in the Indian Territory? A-Have lived here since the year 1837. Do you know a man by the name of John W. Scott? A-Yes sir. How long have you known him? A-I have known him since about the year 1870. Where has he lived since you first knew? A-He has lived in the Territory all that time. About how old was he when you first became acquainted with him? A-Was quite a young man. What do you know about his marriage? A-I was clerk of the Seingsumake District in the years 1874 - 5 - 6 & 7 and during the year 1874 or 1875 issued him a license to marry Jennie Cornutassell a Cherokee by blood. The license never was returned to be recorded. About what time of the year did you issue this license to John W. Scott? A-In the spring of the year, I think in March. What is your best recollection as to whether it was in 1874 or 1875? A-I can not say positively as to the year but am certain that it was in the spring of the year. Have you known John W. Scott since that time? A-Yes sir. Been intimately acquainted with him? A-Yes sir. Did you also know his wife Jennie? A-Have known her since she was a little girl. How soon after you issued the license to John W. Scott did you see him again? A-I saw him very shortly after. Where was he living right after his marriage? A-Near Westville, I. T. Was this woman Jennie Cornutassell or Jennie Scott living with him at that time as his wife? A-Yes sir they were living together as man and wife. You did not see them married? A-No sir but I always supposed they were and they could not well have lived here together if they had not been. It was understood by his neighbors and acquaintances that they were husband and wife and they certainly lived together as such.

Charles B. Wilson, being first duly sworn, doth depose and say that the above and foregoing are the original questions propounded by him to, and the answers returned thereto by Benjamin F. Goss the above named witness.

The Commissioner says that all these persons are differently classified from those embraced in the decision previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1832.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action in the
absence of the roll in the possession of his office.

In the absence of the roll, this action will be
furnished in the future, and it is recommended that this Office and
the Commissioner be authorized to take the action suggested by this
report.

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 5, 1907 (Land 7536), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U. S., 76), and state that in accordance with said decision you have recommended that the names of 1,148 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

Review of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 122 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is enclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

-4-

Your attention is called to the fact that authority was granted on January 26, 1937, for the cancellation of the name of Thomas H. Chittam, opposite No. 22021, and of William Hallingford, opposite No. 22022, which two names were removed for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

(Signed) Theo. Ryan,

First Assistant Secretary.

DEPARTMENT OF THE INTERIOR,
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of
Nancy Welch as a citizen by intermarriage of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That at Westville, Indian Territory, July 18, 1906, application was received by the Commission to the Five Civilized Tribes for the enrollment of Nancy Welch as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 10, 1906 and at Muskogee, Indian Territory, January 23, 1907.

THE EVIDENCE IN THIS CASE SHOWS: That the applicant herein, Nancy Welch, who is identified on the Cherokee Authenticated Tribal Roll of 1880, Geingsnake District, No. 1888 as a native Cherokee, and whose name is included in the approved partial roll of citizens by blood of the Cherokee nation, opposite No. 22434, is a white woman, and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation, other than such right as she may have acquired by virtue of her marriage to one George W. Welch in the state of Georgia, August 25, 1855; that the said George W. Welch was not at the time of said marriage a recognized citizen of the Cherokee Nation, and did not become a citizen of said nation until his admission to citizenship therein by the duly constituted authorities of said nation about the year 1878. Said applicant did not therefore marry in accordance with Cherokee law a citizen of the Cherokee Nation, prior to November 1, 1875.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, dated, November 5, 1906, in the cases of Daniel Red Bird, et al. vs. the United States, Nos. 125, 126, 127, 128, the said applicant, Nancy Welch, is not entitled, under the provisions of Section 21 of the Act of Congress approved June 25, 1898 (30th Stats. 495), to enrollment as a citizen by intermarriage of the Cherokee Nation, and her application for enrollment as such is accordingly denied.

Commissioner.

Chase, Indian Territory.

Dear Madam:

November 6, 1906, the United States Supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1875, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your husband, by reason of your marriage to whom you claim the right to enrollment as a citizen by intermarriage of the Cherokee Nation, was a recognized Cherokee citizen at the time of your marriage to him.

You are, therefore, directed to appear before the Commissioner at Muskegee, Indian Territory, at 9 o'clock A. M., on Thursday, January 3, 1907, and give testimony as above indicated.

Respectfully,

H. J. C.

The Commissioner says that all these persons are differently classified from those embraced in the decision previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1876, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1836.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

that he be authorized to take similar action in the
region of the poll in the possession of his office.

In the opinion of the Office, such action will speed the
process in the future, and it is recommended that this Office and
the Commission be authorized to take the action suggested in this

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 5, 1907 (Land 7530), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U. S., 76), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is enclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

Your attention is called to the fact that authority was granted on January 26, 1907, for the cancellation of the name of Thomas D. Gautham, opposite No. 22254, and of Adeline Ratlingford, opposite No. 22255, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in these instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

(Signed) Theo. Ryan,

First Assistant Secretary.

DEPARTMENT OF THE INTERIOR,
OFFICE OF INDIAN AFFAIRS,
WASHINGTON.

February 21, 1907.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a communication from the Commissioner to the Five Civilized Tribes, dated February 4, 1907, enclosing the record in the matter of the application for the enrollment of Nancy Welch as an intermarried citizen of the Cherokee Nation, including the decision of the Commissioner of the same date adverse to the applicant.

The record shows that application was duly made for the enrollment of the applicant before the Commission to the Five Civilized Tribes, July 18, 1900. Further proceedings were had in the matter October 10, 1900 and January 2, 1903. The record further shows that the applicant is a white woman and neither claims nor possesses any right to enrollment other than such right as she may have acquired by virtue of her marriage to one George W. Welch in the State of Georgia, August 25, 1855. George W. Welch was not at that time a citizen of the Cherokee Nation and did not become a citizen until he was duly admitted as such by the duly constituted authorities thereof about the year 1873. The applicant therefore did not marry a citizen of the Cherokee Nation in accordance with Cherokee law prior to November 1, 1873.

The Office is of the opinion that the decision of the Commissioner to the Five Civilized Tribes denying the application for the enrollment of Nanty Welch as an intermarried citizen of the Cherokee Nation is correct under the provisions of the decision of the Supreme Court of the United States in the case of Daniel Red Bird et al vs. the United States, and it is recommended that it be affirmed.

Very respectfully,

(Signed) C. F. Larabee,

Acting Commissioner.

Commissioner to the Five Civilized Tribes,

Sir:

On February 21, 1907 (Land 13132), the Indian Office transmitted your report dated February 4, 1907, in the matter of the application for the enrollment of Nancy Welch as a citizen by intermarriage of the Cherokee Nation, together with your decision of the same date, denying said application.

The Indian Office concurs in your decision. A copy of its letter is inclosed.

Said decision appears to be correct, and it is hereby affirmed.

It appears that the name of the applicant herein is included in the approved partial roll of citizens by blood of the Cherokee Nation, opposite No. 22434.

Authority is hereby granted for the cancellation of the name of Nancy Welch from said partial roll, opposite No. 22434.

The Department has cancelled said name from the roll in its
presentation, and the Indian Office is requested to take similar
action upon the roll in its presentation.

The papers in this case and a carbon copy heretofore have been
sent to the Indian Office.

Very respectfully,

The A. B.

The Commissioner says that all these persons are ...
 ly classified
 forwarded to the Department, and a separate decision will be
 rendered in each case.

The Supreme Court of the United States, in its decision in
 the United Red Bird case, held that
 with citizens by blood of the Cherokee Nation in accordance with
 Cherokee law, prior to November 2, 1875, and entitled to enroll-
 ment and have equal per capita rights with Cherokee Indians ...
 bled in the lands constituting the public domain of the Cherokee
 Nation, and are entitled to be enrolled for that purpose, but such
 intermarried whites acquired no rights and have no interest or
 share in any funds belonging to the Cherokee Nation except where
 such funds were derived by lease, sale or otherwise, from the lands
 of the Cherokee Nation conveyed to it by the United States by the
 patent of December 1836.

Under this decision, therefore, intermarried white persons
 entitled to enrollment as citizens of the Cherokee Nation have a
 different status from all other Cherokee citizens, and in order
 to avoid confusion and
 such citizens, the Commissioner recommends that the name of all
 the applicants herein named be stricken from the approved partial
 roll of Cherokee citizens retained in the Department and in this

Office, and that he is authorized to take similar action on the
basis of the roll in the possession of his office.

In the opinion of the Office, this action will avoid any
change in the future, and it is recommended that this Office and
the Commission be authorized to take the action suggested by this

Office, and that he be authorized to take whatever action he may deem proper in the interest of the Government.

In view of the fact that this matter will be of great importance to the Government, and it is recommended that the Office be authorized to take the action suggested above.

REPORT.

WASHINGTON.

I.T.D. 2444-1907.

LHM.

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 5, 1907 (Land 7838), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (202 U. S., 78), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 24, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1876, and who by reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is enclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

Your attention is called to the fact that authority was granted on January 25, 1907, for the cancellation of the name of Thomas D. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

(Signed) Thos. Ryan,

COMM

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES,
WESTVILLE, I.T. JULY 18, 1900.

In the matter of the application of Henry Harless et als.,
for enrollment as Cherokee citizens, said Harless being sworn by
Commissioner Needles, testified as follows:

- Q What is your name? A Henry Harless.

years.

Q Are you a Cherokee by blood? A No sir.
Q Claim by intermarriage? A Yes.
Q What is your ~~maternal~~ father's name? A A. E. Harless.
Q Is he living? A Yes.
Q He is a non-citizen? A I could not tell you.
Q Is his name upon any of the rolls? A I don't know.
Q What is your mother's name? A My mother is dead.
Q On '96 roll, page 823, number 91.
Q Are you married? A Yes.
Q What is the name of your wife? A Lola Rose.
Q What was her name before you married her? A Lola Rose.
Q Is she a Cherokee by blood? A Yes.
Q Is her name upon the rolls of '89? A I could not tell you whether
it is or not.
Q That was her maiden name? A Yes.
Q On '80 roll, page 466, number 1391 as Lola Rose;
On '96 roll, page 755, number 1014 as Lola Harless.
Q Have you a certificate of marriage? A Yes.
Q When were you married? A 5th of January, '96.
Q Your license was issued on the 30th day of December, '95? A Yes.
Q And you married on the 5th day of January, 1896? A Yes.
Q You do not claim for yourself? A Yes.
Q Have you any children? A No sir.
Q Just apply for yourself and wife? A Yes.

The name of Henry Harless is found upon the roll of
'96. He applies for citizenship for himself. He presents a
marriage certificate duly ~~attestifying his marriage~~ certified, the
marriage license being under the seal of the Nation, certifying that
his marriage license was issued to him on the 30th day of December
1895, and that he was married on the 5th of January, 1896, by J.W.
Gordon, a minister of the gospel. The testimony shows that he has
lived in the Cherokee Nation a sufficient length of time to
become a citizen thereof, but his marriage being solemnized after
December 16, 1895, the date of the law passed by the Cherokee
Nation providing that all marriages solemnized after said date of
December 16, 1895, should not confer citizenship upon the non-cit-
izens so marrying, consequently the application of Henry Harless
for citizenship will be rejected. The name of his wife, Lola,
appearing upon the roll of '80 as Lola Rose, and also upon the roll
of '96, evidence as to residence being sufficient, she is ordered
to be enrolled as a citizen by blood of the Cherokee Nation, and
her name will be enrolled upon the rolls now being made by this
Commission.

Mr. Harless, you can present at any future time any further
evidence, oral or documentary, as to your marriage. Notice of
your rejection on extension will be mailed to you in the near future,
addressed to your postoffice address. The testimony herein
together with the decision of the Commission will be forwarded to
the Secretary of the Interior when the rolls now being made are

forwarded to him, for his consideration in your case.

Brown McDonald, being sworn by Commissioner Wadley, says that as Stenographer to the Commission to the Five Civilized Tribes, he reported in full the testimony of the above named witness, and the foregoing is a full, true and correct transcript of his notes.

Commissioner Breckinridge: On January 8, 1901, there was filed with the Commission a license issued by the clerk of Benton County, Arkansas, October 19, 1899, authorizing the marriage of D.M. Ward and Miss L.M. Burkes; from the certificate attached to the license it appears that the parties named in said license were duly married October 21, 1899. It further appears from the certificate of record that said marriage license and certificate were duly recorded in the clerk's office of Benton County, Arkansas, October 28, 1899.

On said January 8, 1901, there was filed with the Commission a duly executed affidavit, from which it appears that Thomas M. Ward, was born July 25, 1900, and that he is the child of Daniel M. Ward and Lydia M. Ward, and that he was living on December 17, 1900, the date of the execution of said affidavit. Said birth affidavit was approved and the said Thomas M. Ward was duly listed for enrollment as a Cherokee citizen by blood.

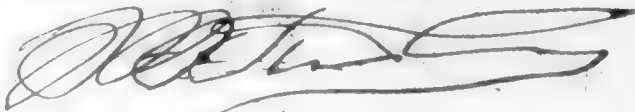

O R D E R .

It is ordered that a copy of this statement be attached to and filed with each copy of the testimony in said case.

DEPARTMENT OF THE INTERIOR,
COMMISSION TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Sallie D. Duncan as a citizen by intermarriage, and for the enrollment of her minor child, William W. Duncan, as a citizen by blood, of the Cherokee Nation.

DECISION.

--oOo--

The record in this case shows that on July 19, 1900, Sallie D. Duncan appeared before the Commission at Westville, Indian Territory, and made application for the enrollment of herself as a citizen by intermarriage, and for the enrollment of her minor child, William W. Duncan, as a citizen by blood, of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, on December 3, 1900, and at Fort Gibson, Indian Territory, on September 17, 1901.

The evidence in this case shows that on December 15, 1889, Sallie D. Duncan, a white woman, married William W. Duncan, a Cherokee by blood, who is identified on the Cherokee authenticated tribal roll of 1880. On June 2, 1892, the said William W. Duncan, died, and on October 25, 1900, Sallie D. Duncan married J. T. Sheffield, a white man. Sallie D. Duncan, now Sallie D. Sheffield, and her son by her former husband, William W. Duncan, are identified on the Cherokee Census roll of 1896.

The evidence further shows that Sallie D. Duncan, now Sallie D. Sheffield, has lived continuously in the Cherokee Nation ever since 1889, the year of her marriage to William W. Duncan, and it is considered from the evidence that her minor child, William W. Duncan, has lived in the Cherokee Nation ever since his birth.

Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stats., 495), provides for the enrollment of Cherokee citizens "with such intermarried white persons as may be entitled to citizenship under Cherokee laws."

Section 666 of the Compiled Laws of the Cherokee Nation (1892), is as follows:

"Should any man or woman, a citizen of the United States, or of any foreign country, become a citizen of the Cherokee Nation by intermarriage, and he left a widow or widower by the decease of the Cherokee wife or husband, such surviving widow or widower shall continue to enjoy the rights of citizenship, unless he or she shall marry a white man or woman, or person, (as the case may be), having no rights of Cherokee citizenship by blood; in that case, all of his or her rights acquired under the provisions of this act shall cease."

It is, therefore, the opinion of this Commission that the application for the enrollment of Sallie D. Duncan, now Sallie D.

Sheffield, as a citizen by intermarriage of the Cherokee Nation should be denied, and that William W. Duncan should be enrolled as a citizen by blood of the Cherokee Nation in accordance with the provisions of Section twenty-one of the Act of Congress approved June 28, 1898 (30 Stat., 496), and it is so ordered.

The Honorable

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a report from the Commission to the Five Civilized Tribes, dated February 4, 1903, transmitting the record relative to the application of Sallie D. Sheffield for the enrollment of herself and her minor child, William W. Duncan, as citizens of the Cherokee Nation.

Sallie Sheffield, formerly Duncan, applies for enrollment as an intermarried citizen, and for the enrollment of her minor child as a citizen by blood.

The evidence shows that on December 15, 1889, Sallie D. Sheffield, formerly Duncan, a white woman, married William W. Duncan, a Cherokee, who is identified by the 1890 roll. On June 2, 1892, William W. Duncan died and on October 25, 1900, the principal applicant married J. T. Sheffield, a white man.

She and her minor child are identified by the 1890 census roll. The evidence shows that Sallie Sheffield, formerly Duncan, has continually lived in the Cherokee Nation since 1889.

The Commission on December 1, 1902, held that Sallie Duncan

was not, under the provisions of section 666 of the Cherokee Laws, 1892 edition, entitled to enrollment as an intermarried citizen of the Cherokee Nation and that William W. Duncan was entitled to enrollment as a citizen by blood of the Cherokee Nation.

In view of the record it is recommended that the decision of the Commission declaring William W. Duncan entitled to enrollment as a citizen by blood of the Cherokee Nation be approved and that the right of Sallie D. Sheffield be not passed upon until such time as the Court of Claims shall have made findings and render opinion on the matter submitted to it by the Department February 24, 1903.

Gentlemen:

February 4, 1903, you transmitted the record in the matter of the application of Sallie D. Sheffield, for the enrollment of herself as a citizen by intermarriage of the Cherokee Nation, and for the enrollment of her minor child, William W. Duncan, as a citizen by blood of said nation.

December 1, 1902, you decided that William W. Duncan should be enrolled as a citizen by blood of the Cherokee Nation, and that the application for the enrollment of Sallie D. Sheffield as a citizen by intermarriage should be denied, in accordance with the provisions of section 366 of the Compiled Laws of the Cherokee Nation.

Reporting March 23, 1904, the Acting Commissioner of Indian Affairs recommends that your decision, in so far as it affects the application of William W. Duncan, be approved, and that the rights of Sallie D. Sheffield be not passed upon until such time

as the Court of Claims shall have rendered a decision in the matter submitted to it by the Department on February 24, 1903.

The Department concurs in said recommendation, and your decision holding that William W. Duncan should be enrolled as a Cherokee citizen by blood, is accordingly approved. The rights of Sallie D. Sheffield will await the decision of the Court of Claims.

A copy of the Acting Commissioner's communication is inclosed.

In the matter of the application of George W. Scales for the enrollment of himself, his wife and children as Cherokee citizens; being sworn and examined by Com'r Breckinridge he testifies as follows:

- Q What is your name? A George W Scales.
Q What is your age? A Fifty.
Q What is your post-office? A Bloomfield, Arkansas.
Q And your district? A Delaware.
Q For whom do you make application? A For myself, wife and children.
Q Do you apply as a Cherokee by blood? A No sir, by adoption, intermarriage.
Q How long have you lived in this District? A In Delaware District, I have lived fifteen or sixteen years.
Q When were you married? A I was married in March 1885.
Q Have you a certificate of marriage? A Yes sir.
(Produces certificate)
Q What was your wife's name before your marriage? A Mattie Chandler.
Q Is she living at this time? A Yes sir.
Q You and she lived together as man and wife all the time since your marriage? A Yes sir.
Q Mr. Scales, this paper that you present me is a certificate signed by L.L. Duckworth, to the effect that at the time of your marriage he was deputy clerk, presumably of Goingsnake District, though he does not state that fact; the paper is issued from Siloam Springs, Arkansas, and he says that he did unite you and Miss Mattie Chandler in marriage on March 15th 1885, and that according to law he as deputy clerk also issued you a license; this is stated under oath, and attested by J.E. Dunham, Notary Public, with his notarial seal, in Benton County, Arkansas; what has become of your original? A I turned it over to him the deputy clerk, for record, and he claims that he sent it to the clerks for record, but it cannot be found and there is no record of it at all.
Q Claims that through carelessness or something of that sort the original has been lost? A Yes sir. It must have been.

Examined by Hastings, Cherokee representative:

- Q Is there anyone else here that signed your petition, that is here intown, or anyone present at your marriage? A I don't know sir.
Q You were married in Goingsnake District? A No sir, I was married in Delaware District on the line.
Q In what year were you married? A In 1885.
Q You got up a petition did you, with signers? A Yes sir. I have them here, and also another certificate. (Produces papers)

Statement by Com'r Breckinridge: Mr. Scales presents the original certificate of good character required at the time of the issuance of his license, dated March 11th, 1885, and duly attested by John Black, Clerk of Benton County, Arkansas; he also produces what he represents as the original of the petition required by Cherokee law for his marriage; which appears to be duly signed by ten persons; under the circumstances and in view of the fact that there is no objection made to this evidence by the representatives present of the Cherokee nation, it is deemed adequate evidence of his marriage and the papers are returned to Mr. Scales.

- Q Your wife's name is Mattie Scales? A Yes sir.
Q And her name was Mattie Chandler? A Yes sir.

Note: 1896 roll examined for applicant's name, page 589, #510, George W. Scales, Delaware District.

1896 roll examined for Mattie Scales, page 538, #3019, as Mattie Scales, Delaware District.

Q In 1880 her name was Mattie Chandler? A Yes sir.

Note: 1880 roll examined, page 235, #491, Mattie Chandler, Delaware District.

Q Give the names and ages of your children? A Ethel Scales, fourteen; (On 1896 roll, page 538, #3020, Ethel Scales, Delaware District) Grover Scales, eleven years old. (On 1896 roll, page 538, #3021, Grover Scales, Delaware District) Joseph Scales, nine years old. (On 1896 roll, page 538, #3022, Joseph Scales, Delaware District.) Lillie Scales, seven. (On 1896 roll, page 538, #3023, Lillie Scales, Delaware District) Louisa Scales, four, past. (On 1896 roll, page 538, #3024, Louisa Scales, Delaware District.) George Scales, one year old.

Q Is that all? A Yes sir.

Q Have you a certificate of birth? A No sir.

Com'r Breckinridge: Your wife is duly identified on the roll of 1880 and likewise on the roll of 1896, and she is further identified in the change of name by the evidence of marriage which you adduce, and your children are all duly identified on the roll of 1896, except your youngest child George, your wife and all the children enumerated except the youngest child, George, will be enrolled as Cherokees by blood. Your child, George, will be similarly enrolled when you properly make out and have certified the certificate of his birth and furnish it to the commission. Your marriage in 1885 is satisfactorily established, you haven't the original marriage certificate, which seems to have been ~~careless~~ curiously lost with the record, but it is substantiated by sufficient accumulative evidence and it is accepted by this commission as satisfactory, and you will be enrolled as a Cherokee by adoption or intermarriage.

M.D.Green, being first duly sworn, states that as stenographer to the commission to the Five Civilized Tribes he reported the foregoing case and that the above and foregoing is a full true and complete transcript of his stenographic notes in said case.

DEPARTMENT OF THE
COMMISSION TO THE FIVE CIVILIZED TRIBES

FILED
JUL 11 1880

WILLIAM M. NELLES et al. #3

Department of the Interior,
Commission to the Five Civilized Tribes,
Westville, I. T., July 19, 1900.

In the matter of the application of William M. Nellis for the enrollment of himself, and wife and niece as Cherokee citizens; being sworn and examined by Commissioner Breckinridge he testifies as follows:

Q What is your name? A William M. Nellis.

Q What is your age? A Sixty-six.

Q What is your post-office? A Cherokee City.

Q Your district, please? A Delaware.

Q For whom do you make application? A Myself and my wife.

We have got a girl we have raised from a child, my wife's sister's child; she was enrolled with our family at the last enrollment.

Q Is the child an orphan? A Yes sir.

Note: Applicant advised that he can apply for that child.

Q You apply as a Cherokee by intermarriage? A Yes sir.

Q You hand me here a marriage license, dated March 27th 1883, and showing that the ceremony was performed the 27th day of March, 1883, and in the license William Nellis is authorized to be married to Miss Anliza Woodard; this is your marriage license and certificate? A Yes sir.

Q It all appears in due form and it is signed by T. J. McGee, Clerk of Delaware District, with his seal of office, and shows that you, an American citizen, have been married to your wife, who is represented as a Cherokee citizen by blood, according to Cherokee law.

Applicant: That was my first wife, I am living with my second wife now.

Q Is this the marriage that you claim under? A Yes sir.

Note: 1880 roll examined for Anliza Woodard, page 334, #2830, Ann E. Woodard, Delaware District.

Q When did she die? A She left me before she did die and I got a divorce from her and then married this other woman.

Q Have you got a copy of the decree of divorce? A I believe I have. (Produces papers.)

Com'r Breckinridge: Mr. Nellis, your marriage as shown, took place on the 27th day of March, 1883, and you, as shown by the decree you here exhibit, was granted a divorce from that wife on the 5th day of September, 1883; this is accepted as a duly authenticated decree, signed by T. J. McGee, District Clerk of Delaware District, setting forth the decision of the court, and it is not objected to by the Cherokee representatives here present, as ~~being~~ being in due force and effect in regard to the facts stated. You have married since that time? A Yes sir.

Q The question is whether you have married out of your rights or not; let us hear about this second marriage, whom did you marry the last time? A She was a widow woman, her first name was Wofford.

Q What was her name at the time you married her? A Nancy Durce, that was the name of the man she married.

Q When did you marry her? A Married her in 1885.

Q What is her age now? A Fifty-four.

Q Have you got a license and certificate? A No sir, I haven't got no license. (Produces paper)

Examined by Cherokee Representative Hastings:

Q Was Wofford your wife's maiden name? A Yes sir.

Q Whose daughter was she? A Old Jimmie Wofford's.

Q He was Cherokee by blood? A Oh yes, pretty near full-blood.

Q How long did she live with Durce? A About two years.

Examination continued by Com'r Breckinridge:

Q Was her name Nancy Durce in 1885? A I do not know.

Q What was her name before it was Durce? A Nancy Wofford.

Note: 1880 roll examined for Nancy Duree, and name not found.
1880 roll examined for Nancy Wofford, page 341, #3034, Nancy Wafford Delaware District.

1896 roll examined for applicant's ~~xxxxxx~~ wife, page 511, #2275, Nancy Nellis, Delaware District.

1896 roll examined for applicant's name? page 583, #394, as William Nellis, Delaware District.

Com'r Breckinridge: This paper you now hand me is a signed and sealed statement by T. J. McGee, of the Delaware District, under date of the 8th of August 1890, to the effect that personally appeared before him William Nellis, adopted citizen of the Cherokee Nation, and Nancy Nellis, a citizen of the Cherokee Nation by blood, both residing in the district of Delaware Cherokee Nation, who, being duly sworn ~~under the oaths and duties of the Cherokee Nation~~ state that under the customs and rules of the Cherokee Nation, they did enter into a marriage contract by mutual agreement with each other on the 9th day of April, 1885, in the presence of witnesses. It is signed by William Nellis and by Nancy Nellis, with her mark, the clerk of the district being witness to her signature. This, with the record of Nancy Nellis traced back through the rolls of 1896 and 1880, is accepted as a lawful marriage under Cherokee law, section 688, article 21, Compilation of 1892, which says "any marriage contract made in writing in the presence of two or more witnesses, who shall sign the marriage contract as such, shall be lawful". Now it is noted that the witness cited in this paper you hand here, did not sign the document, it is signed only by yourselves and by the Clerk of the District; therefore at this point I refer this paper to the representatives of the Cherokee Nation, and ask them if they have any objection to it as legal evidence of your marriage as stated at that time.

Representative of the Cherokee Nation Hastings: We have no objection to it, ~~but~~ that we believe that it is technically correct, but from the fact that this an adopted citizen, legally married to a former Cherokee woman, and he presented his license in due form and certificate of marriage, and this second wife is a Cherokee by blood and it wouldn't effect his citizenship or that of his children, because of his former marriage.

Q By Com'r Breckinridge: This is not such a marriage as could in any way invalidate his status? A By Hastings: No sir.

Com'r Breckinridge: That is recognized and accepted here as not invalidating your status as a Cherokee citizen by intermarriage; it is returned to you, and your original marriage license is returned to you.

Q You have one child which you wish to enroll, give the name of that child? A Sarah Hogan. aged fourteen years.

Q Is this child a member of your family? A Yes sir.

Q It is an orphan child? A Yes sir.

Q What kin is it to you? A It is my wife's sister's child.

Q What is your wife's sister's name? A Katie Davis, was this child's mother.

Q This child's mother was, then, a Cherokee by blood, being your wife's sister? A Yes sir.

Q Is she on the roll of 1880 this woman, Katie Davis? A I suppose so, I don't know.

Note: 1880 roll examined, for Katie Davis, page 244, #709, Kate Davis, Delaware District, aged twenty-six.

Q Is that the name she died under? A Yes sir.

Q How old was she when she died? A Her mother was older than my wife, but I don't know how much.

Q When did Kate Davis die? A I do not recollect.

Q Was she married to Hogan? A No sir.

Q She never did go by the name of Hogan? A No sir, Hogan just staid there one summer and made a corn crop.

Note: 1880 roll examined, for Katie Davis, page 244, #709, Kate Davis, Delaware District, aged twenty-six.

William M. Nellis et al #3

Note: 1894 roll examined, page 376, #713, Katy Davis, Delaware District.

1896 roll examined for Katie Davis, name not found.

Applicant states that Katie Davis died before 1896.

1896 roll examined for Sarah Hogan, page 482, #1507, Sarah Hogan, Delaware District.

Com'r Breckinridge: Your marriage into rights as a Cherokee is duly established as set forth in the evidence, in 1883; your subsequent marriage did not invalidate that right; you will be enrolled as a Cherokee citizen by intermarriage. Your second wife for whom you now apply, is identified through your evidence of her marriage and she is identified on the rolls of 1880 and 1896; you are identified also on the roll of 1896;— and your present wife, whose name is Nancy Nellis, will be enrolled as a Cherokee by blood; the child, Sarah Hogan, a niece of your wife's and living with you and in her charge, is identified on the roll of 1896, and her mother is identified on the roll of 1880, and 1894, as set forth in the evidence, she bearing the name of Katy Davis; there is some conflict in ~~support~~ the matter of age in regard to her enrollment, but she has been quite clearly identified by family association on the roll. The child will be enrolled as a Cherokee by blood.

M.D.Green, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he reported the foregoing case and that the above and foregoing is a full true and complete transcript of his stenographic notes in said case.

In the matter of the application of Henry C. Hollant
et al, to enrollment as Cherokee citizens
Commissioner Buckenidge:

In September 20, 1901, the register with the
Commission ~~advised~~ ~~of~~ ~~the~~ ~~fact~~ ~~that~~ an affidavit
dated September 10, 1901, from which it appears
that Mabel Alma Hollant was born August 30,
1871, that she is the child of John Hollant and
Maud E. Hollant, was at the date of the
affidavit said child Mabel Alma was living.

The ~~Commissioner~~ ~~considered~~ Mabel Alma
Hollant was, on September 20, 1901, duly listed
for enrollment as a Cherokee citizen by blood,
and her name placed on the card with her mother.

It is further from the testimony that Henry
Hollant, father of the said child, resided
all his life in the Cherokee Nation, and it further
appearing that no mention of said child was
made in the ~~former~~ ~~findings~~ ~~the~~ ~~entry~~ ~~was~~
made, or for said child's residence, in order
to supply the omission.

Commissioner Breckinridge, in review of Cherokee Straight Case No. 388, entitled Vester G. Martin, it is found that in the testimony he states that he is a citizen by intermarriage, while the decision is made to state that he is ordered admitted as a Cherokee citizen by blood. Upon consulting the Cherokee Census Roll of 1896, Mr. Martin is there identified as an intermarried Cherokee citizen, or, in the language of the Roll, an adopted white. The field judgment is changed so as to conform to the evidence given by the testimony and by the Cherokee roll, and this applicant is now directed to be listed for enrollment as a Cherokee by intermarriage.

It is ordered that a copy of this statement be attached to each copy of the testimony in this case.

Arthur G. Croninger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he made took the foregoing statement and order, and that the above is a true and complete transcript of his stenographic notes thereof.

Special Commissioner.

Commissioner Brackinridge: In Cherokee Sixty-eight Case 392, the same being entitled Joel Kelly et al. It is found upon consulting the roll of 1880, that Joel Kelly was then thirty-two years of age. That would make his age at the time of the application for him eighty-one, and he is on the 1880 roll as an intermarried white citizen.

On the 1880 roll Nellie Kelly is identified as fifty-three years of age. That would make her age at the time of her application seventy-three years, and she is identified on said roll as a native Cherokee.

It is ordered that a copy of this statement be attached to each copy of the testimony in this case.

Arthur G. Croninger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he made the foregoing took in full the preceding statement and order, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Commission to the Five Civilized Tribes.
Tahlequah, I. T., October 16, 1902.

SUPPLEMENTAL TESTIMONY AND PROCEEDINGS in the matter of the application for the enrollment of JOEL KELLY as a citizen by intermarriage of the Cherokee Nation.

ISAAC J. VANMATRE, being first duly sworn, and being examined, testified as follows:

BY COMMISSION: What is your name? A Isaac Jefferson Vanmatre.
Q How old are you? A Fifty-one.
Q What is your post office address? A Westville.
Q Are you a white man? A Yes sir.
Q Do you know Joel Kelly? A I do.
Q Do you desire to give testimony in regard to his status as a citizen by intermarriage of the Cherokee Nation? A Yes sir.
Q What is her reason he is not here in person before the Commission?
Q His age would not admit of it. Besides he is a cripple. They have to dress him and undress him, and lift him about in a chair.
Q How old a man is he? A He is about eighty-five years old.
Q He is unable to get around without help? A Has been for over two years.
Q Are you related to him? A By marriage I am. Son-in-law.
Q How far do you live from him? A I am in the house with him.

S. J. RENEKER, being first duly sworn, and being examined, testified as follows:

BY COMMISSION: What is your name? A S. J. Reneker.
Q How old are you? A Thirty-eight.
Q What is your post office address? A Chance.
Q Do you know Joel Kelly? A Yes sir.
Q About how old a man is he now? A I don't know, could not say, but he is getting up in years.
Q Very old man? A Yes sir.
Q Do you know the name of his wife? A Nellie.
Q What is the present physical condition of Joel Kelly? A Why, he is unable to move himself without help. Even when he lies down in bed, and when they take him to bed, they have to catch hold and help him, and he can't help himself a particle without assistance. He could not walk or anything like that. He has been right in by the fireplace for over a year. I don't know just exactly how long, but around that.

Isaac J. Vanmatre recalled.

BY COMMISSION: Q Is Joel Kelly a white man? A Yes sir.
Q What is the name of his wife? A Nellie.
Q Is she living? A Yes sir.
Q Is she a Cherokee by blood? A Yes sir.
Q Application has been made for Joel Kelly's enrollment as a citizen by intermarriage of the Cherokee Nation, has it? A Yes sir.
Q Where was he enrolled? A At Westville.
Q Does he claim his right to enrollment by reason of his marriage to his present wife Nellie? A Yes sir, he or was married before.
Q When was he married to her? A Could not tell you that. They have got children sixty years old, if they were living.
Q How long have you known Joel Kelly? A Eighteen years, I expect, not over that, nor under it, I don't think.

Q Were they living together as husband and wife when you first knew them? A Yes sir.

Q Do you know whether or not Joel Kelly's name appears upon the roll of 1880? A No sir.

Q Where was he residing about twenty years ago? A Right close to Westville, I guess.

Q What are the names of some of the children of Joel and Nellie Kelly? A Levi and Thomas and John, and a girl named Nancy Jane and one named Martha living. There is a child dead, I don't know---

It is shown upon examination of the copy of the Cherokee authenticated roll of citizens of the Cherokee Nation of 1880 that Joel Kelly is duly identified thereon as an adopted white, 61 years of age, appearing with Nelly Kelly, native Cherokee, 53 years of age, Goingsnake District.

Q Do you know whether Joel Kelly was ever married before he married his present wife? A He says he was not.

Q Was his wife Nellie ever married before she married him? A No sir.

Q Have they lived together continuously since they were married?

A I guess they have. They have ever since I knew them.

Q Were they living together on the 1st day of September, 1902?

A Yes sir.

Q They have never been separated while you have known them?

A No sir.

Q Your wife is their daughter? A Yes sir.

Q Has Joel Kelly lived in the Cherokee Nation continuously since you have known him? A Yes sir.

Q Has his wife also? A Yes sir.

Q How long have you lived in the house with them? A Ten years the 6th of this coming January.

Q They have been living together all the time, have they?

A Yes sir.

This testimony will be filed with and made a part of the record in the matter of the application for the enrollment of Joel Kelly as a citizen by intermarriage of the Cherokee Nation, Cherokee straight card field No. 392.

Wm. Hutchinson, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of the stenographic notes thereof.

Muskogee, Indian Territory, December 21, 1906.

Joel Kelly,

Chance, Indian Territory.

Dear Sir:

November 6, 1906, the United States supreme Court held that white persons who intermarried with Cherokee citizens according to Cherokee law prior to November 1, 1885, are entitled to enrollment and allotments of land as citizens of the Cherokee Nation.

You are advised that to properly determine your right to enrollment as a citizen by intermarriage of the Cherokee Nation, it will be necessary for you to appear before the Commissioner for the purpose of giving testimony as to the date of your marriage and whether or not your wife, by reason of your marriage to whom you claim the right to enrollment as a citizen of the Cherokee Nation, was a recognized citizen of the Cherokee Nation at the time of your marriage to her, and whether or not you were married to her in accordance with Cherokee laws.

You are therefore directed to appear before the Commissioner at Muskogee, Indian Territory, at 9 o'clock A. M., on Thursday, January 3, 1907, and give testimony as above indicated.

Subject:
Enrollment of Lizzie
Corntassell - Cherokee.

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to bring to the attention of the Department the case of Lizzie Corntassell, a citizen by blood of the Cherokee Nation whose name appears on the approved roll of such citizens opposite No. 22467.

On census card No. 298 on which are listed the members of the family of Lizzie Corntassell appears the following notation: "No. 2 (Lizzie Corntassell) died August 18, 1900; affidavit filed September 24, 1904." This affidavit is not found among the papers on file in this record, but there appears to be little question but that it was executed and filed, particularly as Thomas Corntassell, husband of Lizzie Corntassell, on September 26, 1904, selected allotments in the Cherokee Nation for himself and his children but made no application to select an allotment for his wife.

On July 14, 1909, the testimony of Ned Hicher of Westville was taken, in which he stated that he was acquainted

Secretary - 2.

with Thomas Corntassell and his wife, Lissie Corntassell, and that he was their neighbor when she died on August 18, 1900. In this testimony the date of death is not fixed by any record or other circumstance, but on the same date the testimony of Thomas Corntassell, surviving husband of Lissie Corntassell, was taken, in which he stated that he had a record of the births and deaths of the members of his family and that said record showed the death of his wife, Lissie, as of August 18, 1900.

On October 12, 1909, Thomas Corntassell and John Corntassell, husband and son, respectively, of Lissie Corntassell, deceased, were notified by registered mail of the information secured by this office relative to the date of her death and of the provisions of Section 31 of the act of Congress approved July 1, 1902 (32 Stats., 716), that no person whose name was on the roll of Cherokee citizens and who died prior to September 1, 1902, was entitled to an allotment of land or other tribal property, and advised that they might within a stipulated time appear at this office to show cause why recommendation should not be made to the Department that a notation be placed on the roll showing that the said Lissie Corntassell was not entitled to participate in the distribution of the tribal property of the Cherokee Nation. These notices were

Secretary - 3.

received as is evidenced by the return of the registry receipts properly signed, but no response thereto has been received.

The facts above set forth clearly establish that Lizzie Corn tassell died prior to September 1, 1902, and I, therefore, respectfully recommend that the following notation be placed upon all copies of the approved roll of Cherokee citizens opposite the name of Lizzie Corn tassell, No. 22467:

"Died prior to September 1, 1902; not entitled to land or money."

Copies of the record pertaining to the death of this citizen are enclosed herewith.

Respectfully,

WEDM (LBA)

Commissioner.

Enrollment of Lizzie
Corntassell--Cherokee.

The Honorable

The Secretary of the Interior.

Sir:

There is transmitted herewith a letter of November 17, 1909, from the Commissioner to the Five Civilized Tribes, relative to the enrollment case of Lizzie Corntassell, whose name appears opposite No. 22467 on the final approved roll of citizens by blood of the Cherokee Nation.

It is provided in Section 31 of the Act of Congress approved July 1, 1902 (32 Stat. L., 716), that no allotment of land or other tribal property shall be made to any person or to the heirs of any person whose name is on said roll and who died prior to September 1, 1902.

It appears from the inclosed papers that Lizzie Corntassell died prior to that date.

The Office, therefore, recommends that on the final approved roll of citizens by blood of the Cherokee Nation in the possession of the Department there be placed opposite the name of Lizzie Corntassell at No. 22467 thereon the notation:

"Died prior to September 1, 1902;
not entitled to land or money".

L-94174-2

and that this Office and the Commissioner to the Five Civilized Tribes be authorized to make a similar notation on the copies of the roll in their possession.

Westville, I. T., July 19, 1900.

In the matter of the application of William Grigsby for the enrollment of himself, and his children as Cherokees; being sworn and examined by Commissioner Breckinridge he testifies as follows:

Q This paper that you hand me Mr. Grigsby seems to be a duly authenticated marriage license dated the 11th of December 1886, and issued by J. R. Wright, Clerk of Goingsnake District, and bearing the seal of the District; it is also indorsed on the back by the Clerk that he recorded this license on the 29th day of April, 1887, and it bears on the back of the paper the signature of William Davis, M. G. Baptist, presumably Minister of the Gospel, of the Baptist Church, but there is no statement ~~that~~ ~~he~~ there that he married you? A I have witnesses here that was there present when I was married.

Q You remember as a matter of general recollection that he was married do you? A Yes sir.
Q About what time do you understand he was married, as much as fourteen or fifteen years ago? A Yes sir, - No, I don't know, it seems to me it was in '85.
Q Have you known him and his wife all along since that time?
A Yes sir, I went to school with his wife before they was married, and I have seen them time and again since they was married.
Q And you know of your own knowledge that they have been living together as man and wife ever since they were married? A Yes sir, until she died.
Q You know they lived together from the time of their marriage up to her death, as man and wife? A Yes sir.

Applicant, William Grigsby, re-called and further examined:
Com'r Breckinridge: It is presumable that this Minister intended this indorsement as evidence of his having married you; the handwriting is not indicative of much practice in documentary matters; when did you say you were married? A In 1886 I believe.
Q Your license was issued the 11th day of December, 1886, how long after that were you married? A Next day after the license was issued.
Q Then you were married on the 12th of December, 1886? A Yes sir.
Q When did your wife die? A She died the 6th of this March past, March a year ago.
Q You and she lived together as man and wife all the time?

William Grigsby et al #2

Q How long have you lived in your district? A I have lived here thirteen years.

Q Making it your home continuously for thirteen years? A Yes sir.

Q Your marriage license speaks of you as a United States citizen and your wife as a Cherokee woman, her name was Ellen Sixkiller was it? A Yes sir.

Note: 1896 roll examined for applicant's name: Goingsnake District, page 822, #82, William Grigsby.

1880 roll examined for applicant's wife: Goingsnake District page 470, #1491, Ellen Sixkiller.

Q You have never married since your wife's death? A No sir.

Q Give me the names of your children, and their ages? A The oldest boy is twelve years old, Daniel Grigsby. (On 1896 roll, page 752, #928, Daniel Grigsby) Emmons Grigsby, ten years old. (On 1896 roll, Goingsnake District, page 752, #929, Emmon Grigsby) James Grigsby, eight years old: (On 1896 roll page 752, #930, as James Grigsby) Charlotte Grigsby, six years old. (On 1896 roll, Goingsnake District, page 752, #931, Charlott Grigsby) Henry C., four years old. (On 1896 roll, page 752, #932, Goingsnake District, as Henry C. Grigsby.

Com'r Breckinridge: Mr. Grigsby, your wife is duly identified on the roll of 1880 and on the roll of 1896; your marriage with her is satisfactorily established, and your residence in the Territory is satisfactorily established. She is dead, and of course cannot be enrolled. You were married in 1886, and are at present single, have been single ever since her death; you will be enrolled as a Cherokee by adoption. Your children are all identified on the roll of 1896, and they will be enrolled as Cherokees by blood.

Commission to the Five Civilized Tribes.
Tahlequah, I. T., October 25, 1902.

SUPPLEMENTAL TESTIMONY in the matter of the application for the enrollment of JULIA WARD as a citizen by intermarriage of the Cherokee nation.

YELL C. WARD, being first duly sworn, and being examined, testified as follows:

- BY COMMISSION: What is your name? A Yell C. Ward.
Q What is your age? A I will soon be forty-six.
Q What is your post office address? A Siloam Springs, Arkansas.
Q Are you a recognized citizen by blood of the Cherokee Nation?
A I guess so. I reckon I have always been.
Q Are you a Cherokee by blood? A Yes sir, that is what I pass for.
Q You have been listed for enrollment as such? A Yes sir.
Q What is the name of your wife? A Julia Ward.
Q Is she living? A Yes sir.
Q Is she a white woman? A Yes sir.
Q You present here a letter from the Commission to the Five Civilized Tribes, addressed to your wife, directing her to appear before the Commission on or before October 31, 1902, and show that she has not, between the date of the original application for her enrollment and September 2, 1902, forfeited her right to enrollment as a citizen by intermarriage of the Cherokee Nation, do you?
A Yes sir, I present that.
Q What is the reason your wife is not present in person before the Commission? A She has had a young baby and she is not well. She is kind of flooded.
Q When was her child born? A The 12th of this month.

The applicant presents a doctor's certificate, signed by J. Z. Sexton, M. D., on the 20th day of October, 1902, certifying that Mrs. Julia Ward, wife of Yell Ward, was confined on the 12th instant, and that she is at present physically unable to appear before the Commission.

- Q Is Dr. J. Z. Sexton your family physician? A I have just had him once.
Q Did he attend upon your wife at the birth of that child?
A No sir.
Q Does he know your wife's present physical condition?
A I don't know whether he does or not.
Q Did he see your wife? A Yes sir he saw her just a while before.
Q Then he does not know whether she is able to appear before the Commission or not, does he? A I don't guess he does.
Q Why did he give you this certificate, if he don't know the facts in the case? A I don't know that. I asked him to get her that. He knew her condition and had been furnishing medicine, and he was down there and was examining her, but he was not the doctor we have, he could not get there quick enough.
Q Does your wife claim her right to enrollment by reason of her marriage to you? A Yes sir.
Q When were you and she married? A In 1886.
Q Have you filed with the Commission your marriage license and certificate? A No sir, never had any.
Q What proof did you offer to the Commission relative to your marriage to your wife? A I offered proof that Mr. Brooks' son was there and seen us married, and Mr. Johnson, he seen us living together that is all the proof I had.

Cher. 418----2.

- Q Did you introduce witnesses before the Commission who saw you married? A Yes sir.
- Q Were you ever married before you married your present wife? A No sir.
- Q Was she ever married before she married you? A No, sir, I don't think she ever was.
- Q Have you any reason to believe she was? A No sir, I don't think she ever was.
- Q Did you ever hear of her being married? A No sir.
- Q She is the first woman you ever lived with, and you are the first man she ever lived with? A Yes sir.
- Q Have you and she lived together continuously since your marriage? A Yes sir.
- Q Were you living together on the 1st day of September, 1902? A Yes sir.
- Q Have you ever been separated at all? A No sir.
- Q How long have you resided in the Cherokee Nation? A I was there in Texas in the time of the war, I expect about a year and a half or two years, but all the rest of the time I have been in the Cherokee Nation.
- Q Was that at the time of the Civil War? A Yes sir.
- Q Have you resided in the Cherokee Nation continuously for the last twenty-two years? A Yes sir.
- Q Have you been out of the Cherokee Nation for any purpose within the past five years? A Only to go to town and trade.
- Q Has your wife resided in the Cherokee Nation continuously since you married her in 1886? A Yes sir.
- Q You have how many children that application was made for? A Five.
- Q Are all of those children living at this time? A Yes sir.

Mr. Ward, your testimony will be received and filed in your wife's case, and if the Commission thinks it necessary, your wife will be required to appear in person before the Commission at some future date. This doctor's certificate you present here will be filed in her case.

This testimony will be filed with and made a part of the record in the matter of the application for the enrollment of Julia Ward as a citizen by intermarriage of the Cherokee Nation, Cherokee straight card field No. 418.

Wm. Hutchinson, being first duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he correctly recorded the testimony and proceedings in this case, and that the foregoing is a true and complete transcript of the stenographic notes thereof.

"It is seldom that a product receives the endorsement such as is accorded to the ideal pharmaceutical combination, Gude's Pepto-Mangan. After analysis by chemists of repute, the verdict has been that commercial products following in the wake of Gude's are as different as chalk is from cheese. The preparation exists in an organoplastic form, positively neutral, existing as true peptonates. Articles for substitution are simply acid chemical salts (usually chlorides), with an admixture of peptone, and cannot be compared to Pepto-Mangan (Gude), either medicinally, physiologically, or as to component parts."

"I received from your company in May one bottle of Pepto-Mangan (Gude) which I used on a case of septic infection as the result of numerous carbuncles, and am well pleased with the result. The blood count showed improvement after the first week. I was in doubt at first, but now am satisfied that it fills a much-needed place in medicine."

Commissioner Brookinridge: In Cherokee Straight Case No. 419, entitled Tony A. Beck and others, the record is explained as follows: The applicant began by applying for his father, and, as stated in testimony, for his stepfather. It is the general practice where a person applies applied for is not of the applicant's immediate family, to take a separate application from that which the applicant may make for himself and his immediate family. That was done in this case, and the separate application that is made is Cherokee Straight Case 420, where Tony A. Beck applied for his father, Aaron H. Beck and for his stepmother, Josephine.

The statement in the testimony that the applicant desired to apply for his stepfather is, therefore, erroneous. The proceedings had in case No. 420 is of no further concern or interest as regards this case.

A copy of this statement will be attached to each copy of the testimony in case No. 419.

Arthur G. Croninger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he took in full the preceding statement and order, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

Notice, under date of March 1, 1906, of the information received as to the date of the death of the above named persons, was given by publication for four consecutive issues in "The Cherokee Advocate" and "Pryor Creek Clipper", both weekly newspapers of general circulation, the

former published in the Cherokee Nation at Tahlequah, Indian Territory, and the latter published at Pryor Creek, Indian Territory, in the Recording District in which the above named persons are shown to have resided at the time of their death. The first issue of this publication in "The Cherokee Advocate" was on March 3, and the first issue in the "Pryor Creek Clipper" on March 2, 1906. Attention was called to Section 31 of the Act of Congress approved July 1, 1902 (32 Stat., 716), and notice given to the heirs of the persons named, the administrators of their estates, or any other person having any interest in the estates of the decedents, that the Commissioner would, at the expiration of sixty days from the date of the notice, recommend to the Secretary of the Interior the cancellation of the enrollment of said persons as citizens of the Cherokee Nation, unless conclusive evidence was presented to the effect that said persons were living on September 1, 1902.

In addition to this notice a letter was on May 1, 1906, addressed to each of the above named persons, or his heirs, at his last known postoffice advising the information received, the law with reference to the making of the roll of citizens of the Cherokee Nation, and that unless conclusive evidence was presented within thirty days from date to the effect that the decedent was living September 1, 1902, the Commissioner would recommend to the Secretary of the Interior the

cancellation of the enrollment of said person as a citizen of

No information having been received that any one of
the above named persons was living September 1, 1902, it is
respectfully recommended that their names be stricken from the
approved partial rolls of citizens and freedmen of the Chero-
kee Nation in the possession of the Department and the Commis-
sioner of Indian Affairs; that this office be authorized to
strike their names from the copies of the approved partial
rolls in its possession, and that the applications for their

DEPARTMENT OF THE INTERIOR
COMMISSIONER TO THE FIVE CIVILIZED TRIBES.

In the matter of the application for the enrollment of Jane Crittenden as a citizen by intermarriage of the Cherokee Nation.

DECISION.

THE RECORDS OF THIS OFFICE SHOW: That at Westville, Indian Territory, July 20, 1900, application was received by the Commission to the Five Civilized Tribes for the enrollment of Jane Crittenden as a citizen by intermarriage of the Cherokee Nation. Further proceedings in the matter of said application were had at Tahlequah, Indian Territory, October 15, 1902.

THE EVIDENCE IN THIS CASE SHOWS: That Jane Crittenden, formerly Smith, nee Hensley, is a white woman who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, Page 420, No. 420, as an adopted white, and neither claims nor possesses any right to enrollment as a citizen of the Cherokee Nation other than such rights as she may have acquired by virtue of her marriage to one James Crittenden, who is identified on the Cherokee authenticated tribal roll of 1880, Going Snake District, page 420, No. 419, as a native Cherokee, and whose name is included on the approved partial roll of citizens by blood of the Cherokee Nation opposite No. 22500.

The date of the marriage of James and Jane Crittenden is not clearly shown by the record herein. When the applicant appeared before the Commission to the Five Civilized Tribes at Tahlequah, Indian Territory, on October 15, 1902, she testified among other things as follows:

- Q What is the name of your husband?
A Jim Crittenden.
Q James Crittenden?
A Yes sir.
Q Is he living?
A Yes sir.
Q He is a Cherokee by blood?
A Yes sir.
Q Do you claim your right to enrollment by reason of your marriage to him?
A Yes sir.
Q When were you and he married?
A We were married--it has been about twenty-five years since we were married.

It further appears, from the testimony of James Crittenden, taken before the Commission to the Five Civilized Tribes, at Westville, Indian Territory, on July 20, 1900, that he was only

fifteen years of age in 1875.

Although ample opportunity has been afforded the applicant to furnish proof of her marriage to a recognized citizen by blood of the Cherokee Nation prior to November 1, 1875, she has failed to do so.

In view of the foregoing, it is considered that the applicant did not marry in accordance with Cherokee law, a citizen by blood of the Cherokee Nation, prior to November 1, 1875.

IT IS, THEREFORE, ORDERED AND ADJUDGED: That in accordance with the decision of the Supreme Court of the United States, date November 3, 1906, in the cases of Daniel Red Bird, et al., vs. the United States, Nos. 125, 126, 127 and 128, the said applicant, Jane Crittenden, is not entitled under the provisions of Section 21 of the Act of Congress approved June 28, 1898 (30 Stats., 495), to enrollment as a citizen by intermarriage of the Cherokee Nation and her application for enrollment as such is accordingly denied.

Commissioner.

Dated at Muskogee, Indian Territory,

The Honorable,

The Secretary of the Interior.

Sir:

There is forwarded herewith report of Commissioner Bixby, dated January 19, 1907, relative to the placing of the names of certain white intermarried citizens, who are entitled to enrollment under the decision of the United States Supreme Court in the case of Daniel Red Bird, et al. vs. the United States, on a separate roll with a separate series of numbers.

The Commissioner says that all these persons are differently classified from those embraced in the decisions previously forwarded to the Department, and a separate decision will be rendered in each case.

The Supreme Court of the United States, in its decision in the Daniel Red Bird case, held that white persons who intermarried with citizens by blood of the Cherokee Nation in accordance with Cherokee law, prior to November 1, 1875, are entitled to enrollment and have equal per capita rights with Cherokee Indians by blood in the lands constituting the public domain of the Cherokee Nation, and are entitled to be enrolled for that purpose, but such intermarried whites acquired no rights and have no interest or share in any funds belonging to the Cherokee Nation except where such funds were derived by lease, sale or otherwise, from the lands of the Cherokee Nation conveyed to it by the United States by the patent of December 1838.

Under this decision, therefore, intermarried white persons entitled to enrollment as citizens of the Cherokee Nation have a different status from all other Cherokee citizens, and in order to avoid confusion and simplify the matter of the enrollment of such citizens, the Commissioner recommends that the names of all the applicants herein named be stricken from the approved partial roll of Cherokee citizens retained in the Department and in this

Office, and that he be authorized to take similar action on the copies of the roll in the possession of his office.

In the opinion of the Office, this action will avoid confusion in the future, and it is recommended that this office and the Commissioner be authorized to take the action suggested by him.

Very respectfully,

C. P. Larrabee,

Acting Commissioner.

SPECIAL.

Commissioner to the Five Civilized Tribes,
Muskogee, Indian Territory.

Sir:

On February 5, 1907 (Land 7538), the Indian Office transmitted your report dated January 19, 1907, in the matter of certain persons who are enrolled as citizens by intermarriage of the Cherokee Nation.

You refer to the decision of the United States Supreme Court in the case of Daniel Red Bird et al. vs. the United States (203 U.S., 76), and state that in accordance with said decision you have recommended that the names of 1,143 applicants, by reason of intermarriage, should be stricken from the partial roll of Cherokee citizens.

Your recommendation with regard to these persons was approved by the Department on January 26, 1907.

You now transmit the names of 193 persons who are entitled to certain rights in the Cherokee Nation by reason of intermarriages which took place with citizens by blood of the Cherokee Nation in accordance with Cherokee laws prior to November 1, 1875, and who for reason of said marriages are entitled to

certain rights in and arising from the lands of the Cherokee Nation.

In view of the different status of these persons you state that you intend to render a separate decision in each case.

To avoid confusion you recommend that authority be granted for striking the names of the 193 persons named from the approved partial roll of the Cherokee Nation, and that those of the persons named who may be found hereafter entitled to enrollment shall be placed upon separate schedules under a new series of numbers.

The Indian Office concurs in your recommendation. A copy of its letter is inclosed.

You are advised that the Department has this day stricken the names of the following persons, which appear opposite the numbers after their names, from the approved partial roll of Cherokee citizens in its possession:

The Indian Office has been requested to take similar action upon the rolls retained by it, and you are authorized to cancel said names from the rolls in your possession.

Your attention is called to the fact that authority was granted on January 24, 1907, for the cancellation of the name of Thomas D. Chatham, opposite No. 23254, and of Adeline Ratlingourd, opposite No. 23260, which you now again recommend for cancellation. Apparent typographical errors in the roll numbers have been corrected in three instances.

You are instructed to prepare and transmit for departmental action new schedules, with a new series of numbers, containing the names of those persons who may be found to be entitled to enrollment.

Respectfully,

Thos., Ryan,

The Honorable,

The Secretary of the Interior.

Sir:

I have the honor to transmit herewith a communication from Commissioner Bixby, dated February 20, 1907, enclosing record in the matter of the application for the enrollment of Jane Crittenden as a citizen by intermarriage of the Cherokee Nation, including the Commissioner's decision of February 20, 1907, denying the application.

The record shows that the applicant herein is a white woman, and possesses no right to enrollment as a citizen of the Cherokee Nation other than such as she may have acquired by virtue of her marriage to one James Crittenden, a duly enrolled and recognized citizen of the Cherokee nation by blood. The date of the marriage is not definitely fixed. The applicant testified on October 15, 1902, that she had been married about 25 years, which would make it about the year 1877. Her husband testified before the Commission on July 20, 1900, that he was 15 years of age in 1875. Ample opportunity has been afforded the applicant to furnish proof of her marriage to a recognized citizen by blood

of the Cherokee Nation prior to November 1, 1875, but she has failed to do so. The burden being on her to establish this fact, the Office is of the opinion that the decision of the Commissioner, denying her application, is correct; that the presumption is that the marriage did not take place prior to November 1, 1875, and it is recommended that in view of the decision of the Supreme Court of the United States in the case of Daniel Red Bird et al., vs. the United States, the decision of the Commissioner adverse to the applicant be affirmed.

Commissioner Needles: On review of Cherokee Straight Case No. 449, entitled in the matter of the application of James G. Dudley for the enrollment of himself as an intermarried Cherokee, and for the enrollment of his wife and children as Cherokees by blood, it is found that he has been given the following tribal enrollment: On the roll of 1898, page 820, No. 671, Goingsnake District. The enrollment given in the testimony is incorrect, and should read as follows: On 1896 roll, page 820, No. 62, James G. Dudley, Goingsnake District.

It is ordered that a copy of this statement be attached to the testimony in the above styled case.

Arthur G. Croninger, being duly sworn, states that as stenographer to the Commission to the Five Civilized Tribes he took in full the preceding statement and order, and that the foregoing is a true and complete transcript of his stenographic notes thereof.

A copy of this statement will be attached to each copy of the testimony in this case.
